Enamel Colors: Includes up to four colors. Add 0.08 (P) per pin for additional colors.

Printed Colors: Add 0.08 (P) per pin and 30.00 (V) set up for each color.

Plating: Gold, nickel or black nickel. Add 0.16 (V) per pin for antique finish.

Attachment: Military clutch. See page 14 for alternative options.

Production time: 2.5 weeks. Call for information on shorter lead times.

Embossed Soft Enamel

A recessed color fill with raised metal borders creates dimension and serves as a lower cost alternative to Hard Enamel. Available in both Standard and Economy options.
